*Wallets* come in sheets of 8, die-cut with rounded edges, one pose only.

*Mounting* is available for prints 8x10 and larger, at an additional cost. You may choose from standard white mount board or black Gator Board mount. Black Gator Board is a much thicker, sturdier mounting option that is perfect for propping on mantles or easels. White mounting board is good for keeping larger prints from warping over time. Mounting is recommended on prints 11x14 and larger. Mounting cost is as follows:

Standard white mounting	add \$20.00
Black gatorboard mounting	add \$35.00

*Gallery Wraps* give your photographs an artistic touch. Portraits are printed on high quality canvas, which is hand stretched over a wooden frame. Comes complete with a black back sheet and mounting bracket, ready to hang. Gallery wraps also come with a UV protective coating. They are the perfect solution for displaying your portraits.

*Custom framing* is available for your prints. We have a large variety of frames and mats to choose from. Pricing can be found on the Framed Product Price List. Please inquire about additional sizes available.

### **Digital Files**

It is our policy not to release images on disc in place of ordering prints. There is a great amount of research and time spent on calibrating equipment and working with printing companies to provide beautiful prints that will last you a lifetime. By releasing digital files to the client, it is impossible to ensure that prints made from the disc will meet the standards that we expect from the professional printing companies that we work with. *Photography is considered to be an art, and as the artist, I want to provide you with prints that you and I both would be proud to display and show to others.* That being said, I understand there are occasions when you would like to include your pictures on holiday cards, birth announcements, and save the dates. I would be happy to discuss some options with you to meet this need.

### **Additional Products**

*Custom designed* birth announcements, save the dates, etc...are available. Please inquire for pricing and details.

### **Ordering Policies**

We request that you place your portrait order within 45 days of receiving your proofs. If you are unable to do so, please contact us as soon as possible. Payment for your portrait order is due in full at time of ordering. Please make checks payable to Jontell Buchholz. Orders will not be processed until payment is made. No changes can be made to portrait orders once they have been placed. Please

allow up to 4 weeks for order completion. Specialty items such as gallery wraps or framed products may take up to 6 weeks.

### **Important Information**
